LIMITED WARRANTY: Cabinet Pro LLC is the developer and distributor of software for closets, garages, and the Kitchen & Bath Industry. This software is fully supported and periodically enhanced with new features. As with any large and complicated program that performs a multitude of tasks, this software package may contain errors. You are advised to perform manual checks on its performance until you have utilized each particular routine of the program. Although all of our software programs will have undergone extensive testing before their distribution, Cabinet Pro LLC cannot promise perfection. Cabinet Pro LLC does, however, agree to rectify any programming errors that may be found with the highest priority.

- Cabinet Pro LLC or any of its representatives are hereby released and are deemed to be not responsible in any way for any loss of profits, loss of business, material damage, personnel injury, or CNC router damage resulting from the use of this product - even if such loss, injury, or damage can be shown to be a result of the proper use of this product or of suggestions made by its representatives.
- This purchase includes one seat, where a "seat" is defined as one installation on a given computer. One and only one Registration Number shall be given per seat to install the software. There are **no refunds** on any part of this purchase.
- There exists an **optional** yearly charge for updates and general telephone support, due in January of each year. Updates consist of program enhancements as well as corrections of known errors. Technical Support and Registration Numbers shall only be given for the most current version of the purchased program. Old versions will not be supported.
- Both the Home Shop and Home Suite are for Home Use only. *This software is **not** designed for business use.*
- This Agreement involves the **right to use** the purchased software, not the purchase of the software itself. This right to use this software is not transferable to another party, **nor** can it be sold to another party.
- The sale of this software is considered to originate from Jackson County, Oregon, and therefore **no sales tax will be collected**. The Company and/or person bound in this contract has the responsibility of paying sales tax in his/her state, if it is applicable. In addition, it is agreed that any arbitration or litigation initiated by either party arising from any issue involving Cabinet Pro LLC and the Company and/or person bound in this contract is to be filed in Jackson County, Oregon.
- If any provision of this Agreement or the application thereof shall, for any reason and to any extent, be invalid or unenforceable, neither the remainder of this Agreement nor the application of the provision to other persons, entities or circumstances shall be affected thereby, but instead shall be enforced to the maximum extent permitted by law.
